PROFESSIONAL SUMMARY

Aspiring Software Developer with strong foundations in Data Structures & Algorithms and the MERN Stack. Passionate about building scalable web applications and solving real-world problems through clean and efficient code.

EDUCATION

Madhav Institute of Technology and Science , Gwalior(MP), India	2022 - 2026
<i>Bachelor of Technology in Information Technology,</i>	7.7 <i>cgpa</i>
Sahara Public school C.B.S.E ,kalapipal, M.P	2021
PCM (XII)	

WORK EXPERIENCE

Rishishwar Industry Pvt. Ltd	June 2025 – Nov 2025 (Remote)
<i>Intern - Full Stack Developer</i>	
- Designed and developed responsive frontend interfaces using React.js and Tailwind CSS. - Created reusable and scalable UI components, improving code maintainability and development efficiency. - Integrated frontend functionality with backend APIs and collaborated on feature implementation and bug resolution.	
Ethara AI Post- LLM Training Intern	March 2026- May 2026 (Remote)
- Evaluated and refined AI-generated responses to improve quality and accuracy. - Performed data annotation and response ranking to support LLM training and optimization. - Ensured guideline compliance and contributed to enhancing overall model performance.	

TECHNICAL SKILLS

JavaScript, C++, Data Structures & Algorithms,
MongoDB, Express.js, React.js, Node.js,
HTML5, CSS3, Tailwind CSS, Python
REST APIs, JWT Authentication,
Git, GitHub, Postman, Vercel,
LangChain, LLM Integration, OOP

PROJECTS

Vehicle Service Booking Platform | MERN Stack (MongoDB, Express.js, React.js, Node.js), JWT Authentication, Razorpay

- Developed a vehicle service booking platform connecting users with nearby service centers for seamless appointment scheduling and service management.
- Implemented JWT-based authentication, role-based access control, and booking management functionalities.
- Built responsive frontend interfaces and scalable backend services to ensure a smooth and efficient user experience.

Rojgar Setu –Career Portal & Recruitment Platform | MERN Stack, Tailwind CSS, REST APIs, AI Integration

- Developed a career and recruitment platform connecting students, colleges, and companies for hiring and placement opportunities.
- Enabled profile management, job applications, and dedicated dashboards for students, recruiters, and educational institutions.
- Streamlined recruitment workflows through job postings, candidate discovery, and campus placement management.
